

Using the worksheet below, work as a group to 1st identify an action step that is *realistic* for your community. Then, identify 1-2 community sectors that can help advance this action. For each sector, identify a key contact and message or "ask".

What opportunities exist for local action related to MJ prevention / policy ? _____

Sector #1:

What data do we have / need to prepare for our approach?

Have: _____

Need: _____

#1 Key contact:

What are key messages or "asks" we have for these sectors?

Sector #1:

Sector #2:

Sector #2:

#2 Key contact:

What methods will you use to get these messages out?
